

## TRAIN THE MODEL ON IBM

TEAM ID	PNT2022TMID06002
PROJECT NAME	AI-powered Nutrition Analyzer for Fitness Enthusiasts

### IBM Account:

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Nithyashree S B's Acco...). Below this, the main dashboard area is titled 'Dashboard' and features a sidebar with navigation icons. The central content area is divided into two main sections. The top section, 'For you', contains a grid of six cards: 'Build' (purple background), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Best practices for assigning access' (5 min), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Build a virtual machine' (7 min). Each card includes a brief description and a 'Getting started' button. The bottom section contains four panels: 'News' (with links to SLSA Support, WebSphere Application Server Support, and IBM Adds Lifecycle Services), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (with a world map and a 'View all' link).
